7 Sec. 3-3014. Autopsy to be performed by licensed physician;
8 costs; reports. Any medical examination or autopsy conducted

12 In Class I counties, medical examinations or autopsies
13 (including those performed on exhumed bodies) shall be
14 performed by physicians appointed or designated by the coroner,
15 and in Class II counties by physicians appointed or designated
16 by the Director of Public Health upon the recommendation of the
